THE RIGHT PEOPLE. RIGHT NOW.

As a leading staffing partner with over 25 years of experience, we're experts in large volume, just-in-time, and on-demand staffing. We specialize in manufacturing, warehouse, packaging, production, assembly, distribution, hospitality, ecommerce. and logistics. Whether you need 100 employees or 1,000+ employees, we can get you the right people, right now!

"Surestaff knows our qualification requirements and does a great job bringing the people with the right skills. We continue to use the workers once they finished their temporary jobs. Very low turnover!" - **Machine Shop Client**

Scalability to Meet Your Daily Recruitment Needs

Surestaff provides a comprehensive staffing solution for your on-demand needs. Our network of 24+ branches focus on intense grassroots, community outreach, and online recruiting to ensure you have the people with the right skills at the volume and timing you require.

Remote or rural location? Limited or no parking capacity? No problem! For select clients, Surestaff provides our employees *free transportation* with convenient routes that ensures you get the right people at the right time!

Dedicated to Successful Client Relations

Large volume, just-in-time staffing is a complex business - a business that has been our core for 30+ years. The key to that success comes from partnerships with our clients and effective recruiting, communications, and safety programs.

"I have been very satisfied with how quickly Surestaff has been able to find qualified candidates. They do an excellent job, have great communication, and offer competitive rates." - **Custom Assembly Client**

RECRUITING EFFECTIVENESS

Our recruiters are trained on the latest best practices, tools, systems, and processes. We leverage all available platforms and technology allowing us to cast a wide net to source both active and passive candidates. We host one of the largest centralized recruiting centers in the industry allowing for maximum sourcing ability.
