

On-Demand Staffing

The Right People.
Right Now.

The Leader in Industrial Staffing

As a leading staffing partner with over 30 years of experience, we're experts in large volume, just-in-time, and on-demand staffing. We specialize in manufacturing, warehouse, packaging, production, assembly, distribution, hospitality, ecommerce and logistics.

Whether you need 100 employees or 1,000+ employees, we can get you the right people, right now!

Scalability to Meet Your Daily Recruitment Needs

Surestaff offers a comprehensive staffing solution for your on-demand needs. Our network of 24+ branches in 5 states focuses on intense grassroots, community outreach, and online recruiting to ensure you have the people with the right skills at the volume and timing you require.

Remote location? Limited parking capacity? No problem! For select clients, Surestaff provides our employees free transportation that ensures you get the right people at the right time!

RECRUITING

We use the latest best practices, tools, systems, and processes; meanwhile, leverage available platforms & technology to source candidates; we host one of the largest *centralized recruiting centers* in the industry.

SPECIALIZATION

We offer temporary, temp-to-hire, direct hire & onsite programs — a complete staffing solution for all industrial sectors — logistics, manufacturing, production, assembly, and packaging. We know industrial!

SAFETY & RISK MANAGEMENT

Our expert team is OSHA 30 certified & safety is important to every business relationship. This includes OSHA recording, injury tracking, customized job descriptions, and site evaluations.

TECHNOLOGY

Our top-ranked ATS improves candidate engagement and links to all job & advertising platforms with programmatic ad launches, and advanced candidate referral programs.
