

The Risk Management Specialists

Surestaff's Risk Management team has over 50 years of combined risk management, safety, and worker's compensation experience. We use that expertise and partner with our clients to provide education, support and resources. We aspire to support our customers in creating the safest work environment possible.

Surestaff has been named one of the top 100 largest staffing firms in the U.S. and has displayed award-winning leadership in risk, safety, and consultation.
