RISK MANAGEMENT SPECIALISTS

Surestaff's Risk Management team brings over 50 years of combined experience in risk management, safety, and workers' compensation. We partner with our clients to provide expert education, hands-on support, and the resources needed to maintain safe and compliant workplaces.

Our services include:

- Risk Assessments & Safety Walkthroughs
- Workers' Compensation Claims Management
- Employee Safety Training
- Incident Investigation & Reporting
- Customized Safety Programs

CLIENT RESOURCE LINKS

Includes OSHA's handbook, 300 log, reporting links, and Q&A's. Available 24/7 through our website.

ONSITE CHECKLISTS

We offer onsite checklists and other specialized documents.

SAFETY MATERIALS

We offer an extensive library of resources:

- Training Material
- Safety Posters
- Policy & Procedure Templates
- Toolbox Talks
- PowerPoint Presentations
- Safety Videos
