SURESTAFF

STAFFING SERVICES & SPECIALTIES

Surestaff ranks among the nation's largest staffing partners, combining local market insight with cutting-edge digital tools to connect businesses with top talent. With 35+ branches across numerous states, we deliver on-demand workforce solutions at scale. We combine targeted digital marketing with the power of our Centralized Recruiting Center to deliver staffing solutions nationwide—saving you time, improving hire quality, and streamlining every step of the process.

TECHNOLOGY

Our Applicant Tracking System (ATS) and AI-driven tools connect your jobs to top platforms, automate campaigns, and supercharge referrals—creating a smarter, more efficient hiring process.

RECRUITING

We utilize centralized recruiting in conjunction with our ATS, social media, and network connections to quickly and efficiently reach a broader talent pool. Our approach is built on modern practices.

SPECIALIZATION

Our staffing solutions include temporary, temp-to-hire, direct hire, onsite, and payrolling services. We specialize in light industrial, manufacturing, skilled trades, administrative, and clerical services.

SAFETY & RISK MANAGEMENT

We know safety is a top priority in the workplace. Our expert team is OSHA 30 certified, this includes OSHA recording, injury tracking, customized job descriptions, and site evaluations.
